

TruQuality®

We document our product quality through TruQuality, an innovative transparency program that provides full access to data from third-party analytical tests performed on each lot. From heavy metal and glyphosate testing to active ingredient potency, we have laid it all on the table so that you know exactly what is inside each of our bottles. PEA Relief has been certified as glyphosate residue-free by The Detox Project.‡

Serving Size: 1 Softgel

Servings Per Container: 60

| | |
|---|----------|
| Calories | 5 |
| Total Fat | 0.5 g |
| Palmitoylethanolamide (PEA)† | 300 mg** |
| Organic Full-Spectrum Hemp (Aerial Part) Extract | 70 mg |
| Proprietary Blend of Black Pepper Fruit and Clove Bud Oils | 3.75 mg |

*Percent Daily Value (DV) is based on a 2,000 calorie diet.

**Daily Value not established

Ingredients: Palmitoylethanolamide powder [palmitoylethanolamide, fractionated coconut oil, lime oil, olive oil, polyglycerol polyricinoleate, lecithin (sunflower and/or oat), dl-alpha tocopheryl acetate], softgel shell [gelatin, glycerin, water, and carob extract (color)], organic hemp oil blend (hemp extract, black pepper oil, and clove oil), organic hemp seed oil, and sunflower lecithin.

Directions: As a dietary supplement, take one softgel twice daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Notice: This product is sourced from industrial hemp, which does not exceed 0.3% THC concentration (dry weight).

Storage: Keep tightly closed in a cool, dry place.

†Based on government limit of detection protocols and default Maximum Residue Limits (MRLs), which are usually 10 parts per billion (ppb) for all pesticides.

Even minor pain can
affect your quality of life.

Try a new approach.

Bodily discomfort?

Your minor pain and discomfort can affect sleep, activity level, and mood, ultimately impacting your sense of wellbeing and quality of life. Now there's a way to relieve mild pain with a more holistic approach.*

Introducing PEA Relief

PEA Relief is a patent-pending formula designed to relieve minor pain. PEA is a compound your body makes to cope with bodily discomfort. PEA Relief combines PEA with a proprietary, organic, full-spectrum hemp extract.*

Scientifically studied

PEA has been the subject of numerous clinical studies performed on thousands of people worldwide, with results that support its clinical potential and safety.*

PEA has been indicated to:

- Support bodily comfort*
- Increase subjective measures of quality of life*
- Modulate biochemical pathways associated with the immune system, which may support immune response*

Prolonged relief

In a preclinical study, the unique combination of PEA with a proprietary, organic, full-spectrum hemp extract prolonged the presence of PEA in the body.*¹
